

DURA-INK®

NEEDLE NOSE

Permanent ink marker
with extended micro tip

Dura-Ink® Needle Nose is a permanent ink marker that uses an extended micro tip for precision marking needs and is ideal to use through drill holes, mounting brackets, or in any hard to reach area. The industrial-strength ink dries quickly on almost any surface and is wear and weather-resistant.

1mm

- Metal
- Pipes/tubes
- Plastic
- Glass/Ceramic
- Lumber and Timber
- Textiles
- Paper/Cardboard
- Cloth/Fabric (textiles)

FEATURES

- Extended nose is ideal for marking through holes and hard to reach areas
- Micro tip for precision marking on small surfaces
- Industrial-strength ink is smear and water-resistant for longer lasting marks
- Durable plastic barrel and metal tip reduce breakage on the jobsite or in-plant
- Built-in clip-cap stores conveniently on back and prevents marker from rolling off work surfaces
- Xylene-free ink eliminates health concerns

- Metal Fabrication
- Construction
- Automotive Assembly
- Shipping Supply
- General Office work
- Textile
